Cakes and Ale.

I'm always glad when Andrew comes.

If only I am there,

He stays a while and talks to me,

As if he did not care.

He took me to some Music once,

When it was all for me;

And O, I had a splendid time!

And he said,so did he.

It lasts, as if the Music still,

Went round and round the sky:

He said he had a good time,too,

And I said,so did I!

Cakes and Ale.
